

# STAND

*Stand on the mount  
Bask in the light  
Hold to the rod  
Choosing the right*

*You've got to  
hold on  
keep on  
right on*

*Please stand on the mount with me*

*Look to the sky  
Write on the wall  
knowing the truth  
Sharing with all*

*You've got to  
hold on  
keep on  
Write on*

*Please write on the wall with me*

*Stand with me  
That's all he asks  
Walk in faith  
Remove the masks*

*You've got to  
hold on  
keep on  
right on*

*Please stand in the light with me*

*Hold to the rod  
Keep up the fight  
Don't ever stop  
Choosing the right!*

*Stand in the light!*
